June 12, 2018

The Honorable Members of the City Council and the
Honorable Lorenz “Lo” Walker, Mayor
City of Bossier City, Louisiana

Independent Auditor’s Report

Report on the Financial Statements

We have audited the accompanying financial statements of the CenturyLink Center Arena Fund, a special revenue fund of the City of Bossier City, Louisiana (the Arena) as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Arena’s basic financial statements as listed in the table of contents.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the CenturyLink Center Arena Fund, a special revenue fund of the City of Bossier City, Louisiana, as of December 31, 2017, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information listed as required supplementary information in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Arena's basic financial statements. The schedule of compensation, benefits, and other payments to elected officials is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The schedule of compensation, benefits, and other payments to elected officials is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of compensation, benefits, and other payments to elected officials is fairly stated in all material respects in relation to the basic financial statements as a whole.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the general fund and do not purport to, and do not, present fairly the financial position of the City of Bossier City, Louisiana as of December 31, 2017, or the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 12, 2018, on our consideration of the Arena's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Arena's internal control over financial reporting and compliance.

CENTURYLINK CENTER ARENA FUND
A Special Revenue Fund of the City of Bossier City, Louisiana

Management's Discussion and Analysis – Unaudited
December 31, 2017 and 2016

We offer readers of the CenturyLink Center Arena Fund, a special revenue fund of the City of Bossier City's (Arena) financial statements this narrative overview and analysis of the financial activities of the Arena for the fiscal years ended December 31, 2017 and 2016.

Overview of the Financial Statements

Management's Discussion and Analysis (MD&A) is intended to serve as an introduction to the Arena's financial statements. The Arena's financial statements comprise two components: (1) fund financial statements and (2) notes to the financial statements. This report also contains other supplementary information in addition to the financial statements themselves.

Fund Financial Statements – A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Arena, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Arena is composed of a single governmental fund.

Financial Analysis of the Arena Fund

Governmental Fund

The focus of the Arena's governmental fund is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Arena's financing requirements. In particular, an unreserved fund balance may serve as a useful measure of the Arena's net resources available for spending at the end of the fiscal year.

The Arena has a fund surplus of \$414,657, which consists of \$18,464 non-spendable for prepaid items and an unassigned surplus of \$396,193. The surplus will be utilized through future operations and/or transfers to the City of Bossier City (the City). Of the Arena's assets totaling \$3,013,088, 64% is in cash. The fund surplus increased by \$417,000 in 2017, after transfers of \$713,290 from the City. Transfers from the City were higher than 2016 due to the Arena requesting additional funds to cover needs. Revenues were up in 2017 primarily due to higher direct event and luxury box income offset minimally by lower ancillary, advertising, and other income. The increase in direct event income was primarily due to multiple sell-out concerts during the year. The decrease in ancillary income was primarily due to the increase in concerts and performances which were co-promoted with another promoter, increasing rebate costs paid to the promoter. Expenditures in 2017 increased \$77,861 primarily due to increased administration salary expenses offset by decreased building maintenance expenses.

	<u>2017</u>	<u>2016</u>
Assets	3,013,088	2,400,109
Liabilities	<u>2,598,431</u>	<u>2,402,452</u>
Fund balance (deficit)	<u>414,657</u>	<u>(2,343)</u>

	<u>2017</u>	<u>2016</u>
<u>Change in fund balance (deficit):</u>		
Revenues	2,709,461	2,411,386
Expenditures	<u>3,005,751</u>	<u>2,927,890</u>
(Deficiency) of expenditures over revenue	(296,290)	(516,504)
Transfer in	<u>713,290</u>	<u>564,000</u>
Net change in fund balance	<u><u>417,000</u></u>	<u><u>47,496</u></u>

Budgetary Highlights

The budget policy of the City of Bossier City complies with state law, as amended, and as set forth in Louisiana Revised Statutes Title 39, Chapter 9, *Louisiana Local Government Budget Act* (LSA-R.S. 39:1301 et seq.).

The original budget for the Arena was adopted by the City Council on November 1, 2016. There were no amendments made in 2017. The most significant budget variance in the current year was related to ancillary income which was significantly below budget. Budget variances are not expected to have a significant effect on future services or liquidity.

Economic Factors and Next Year's Budgets and Rates

Arena Management budgeted 2018 consistent with 2017. No significant revenue or expenditures increases have been budgeted relative to the 2018 budget. Although 2018 was budgeted at a loss, the amount of loss was reduced compared to previous years.

Requests for Information

This financial report is designed to provide a general overview of the Arena's finances for all those with an interest in the Arena's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to: Director of Finance of the City of Bossier City, P. O. Box 5337, Bossier City, Louisiana 71171, or by calling 318-741-8525.

CENTURYLINK CENTER ARENA FUND
A Special Revenue Fund of the City of Bossier City, Louisiana

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017

1. Summary of Significant Accounting Policies

The CenturyLink Center Arena Fund of the City of Bossier City (the Arena) is a separate accounting entity of the City of Bossier City (the City). The fund was established to account for the operations of the 14,000-seat multipurpose arena constructed by the City. The operations of the fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. The preparation of financial statements in conformity with government accounting standards requires management to classify the fund balances. For committed fund balance classification, the City Council must take formal action to establish, modify, or rescind a fund balance commitment. The non-spendable classification includes amounts that are not in spendable form or required to be maintained intact. The accounts of the Arena are reported as a Special Revenue Fund within the City's financial statements. The accompanying financial statements present only the CenturyLink Center Arena Fund and are not intended to present fairly the financial position of the city and the results of its operations, in conformity with accounting principles generally accepted in the United States of America.

(a) Basis of Presentation Fund Accounting

Governmental fund financial statements are provided for the Arena. The Arena consists of only one governmental fund.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Arena considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Rental income for luxury box suites and events and advertising income are susceptible to accrual and are recognized when earned or when the underlying transaction occurs. In addition, when advances are received on rentals of luxury box suites and advertising agreements, the advances are recorded as unearned revenue and income recognized over the term of the agreements when earned. Ancillary income consists of revenues from concessions, merchandise, and other sales. Ancillary revenue is recognized at the time of sale. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability has been incurred and has matured.

The operations of the Arena are incorporated into one special revenue fund. The acquisition, use, and balances of expendable financial resources and the related liabilities are accounted for through this fund.

All expenditures incurred in the operation of the Arena are accounted for in this fund, except capital assets and debt. All items of capital assets used by the Arena and bonds issued to

1. Summary of Significant Accounting Policies

fund the construction of the Arena are accounted for in the government-wide financial statements of the City.

Transfers are periodically received from the City to cover any revenue shortfalls. These transfers are made on an as-needed basis.

(b) **Accounts Receivable**

Accounts receivable consist of amounts due from luxury box rentals, advertisers, and SMG Food and Beverage, LLC (Note 3). Accounts receivable are presented net of any allowance. The allowance at December 31, 2017, was \$-0-, as all accounts were deemed collectible.

(c) **Unearned Revenue**

The balance of unearned revenue represents advances received by the Arena on rentals of luxury box suites and advertising agreements. Income is recognized over the term of the rental agreement when earned.

(d) **Deposits**

The balance of deposits represents advance ticket sales for events to be held at a future date. Income is recognized when the event is held. If an event is canceled, this amount is subject to refund.

2. Cash

All cash deposits of the Arena are held by area financial institutions in the name of the Arena's management company. At December 31, 2017, total cash per the books was \$2,149,197 and included \$7,000 cash on hand. The carrying amount of the Arena's deposits were \$2,142,197 and the bank balance was \$2,253,579. The difference between carrying amount and bank balance is due to outstanding checks and deposits in transit at December 31, 2017.

Custodial credit risk is the risk that in the event of the failure of a depository financial institution, the government will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. At December 31, 2017, \$250,000 of the \$2,253,579 bank balance held in the name of the Arena's management company was insured by the Federal Deposit Insurance Corporation. The remaining \$2,003,579 bank balance is exposed to custodial credit risk at December 31, 2017. Under Louisiana state law, all public funds are required to be covered by depository insurance or securities pledged by the bank; however, as these deposits are held in the name of the Arena's management company, a private company, state and federal laws prohibit banks from collateralizing these deposits.

3. Related Party Transactions

(a) **Management Fee**

The City has contracted with SMG to manage the operations of the Arena through December 31, 2020, with additional renewal periods. Management fees are approximately \$150,000 annually, payable in 12 installments, adjusted annually for changes in the consumer price index. For the year ended December 31, 2017, the base fee totaled \$205,302, which is included in the accompanying financial statements as facility overhead. In addition, to the base fees, the City has also agreed to pay additional fees based on the performance of the operations of the Arena.

3. Related Party Transactions (Continued)

(b) Food and Beverage

The City has also contracted with SMG Food and Beverage, LLC to provide the food and beverage concessions and catering at the Arena. For these services, SMG Food and Beverage, LLC receives 4% of the gross revenues collected in connection with the services they perform. For the year ended December 31, 2017, the Arena paid SMG Food and Beverage, LLC a fee of \$60,780 for their services. Also, at December 31, 2017, the Arena had a receivable from SMG Food and Beverage, LLC of \$491,722.

NOTE TO BUDGETARY COMPARISON SCHEDULE

DECEMBER 31, 2017
(Unaudited)

Budget and Budgetary Accounting

The City utilizes formal budgetary integration as a management control device for the Arena. The City adopted a budget for the Arena using the following procedures:

- (1) Prior to October 15, the Mayor submits to the City Council a proposed operating budget for the fiscal year commencing the following January 1. The operating budget includes expenditures and the means of financing them.
- (2) A public hearing is then conducted, after proper official journal notification, to obtain taxpayer comments.
- (3) Prior to December 15, the budget is legally enacted through passage of an ordinance.
- (4) The budget ordinance is structured such that revenues are budgeted by source, and appropriations are budgeted by department and by principal object of expenditure. The City Charter provides that expenditures may not legally exceed appropriations on a departmental basis, which is the same as the fund basis for the Arena, after considering fund surpluses or deficits. The City Council may revise or amend the budget at its discretion during legally convened sessions. Management may amend the budget only below the department level. The budget was not amended in 2017.
- (5) The basis of accounting applied to budgetary data presented is substantially consistent with the basis of accounting for the Arena. Appropriations that are not expended lapse at year-end, except appropriations for capital improvements, which do not lapse until the purpose of the appropriation has been accomplished or abandoned.

Excess of Expenditures over Budget

Actual expenditures exceeded budgeted expenditures on a line-item basis as follows:

	Actual	Original and Final Budget	Variance with Budget
<u>Expenditures:</u>			
Current-culture and recreation:			
Facility overhead	1,127,204	993,624	133,580

June 12, 2018

The Honorable Members of the City Council and the
Honorable Lorenz "Lo" Walker, Mayor
City of Bossier City, Louisiana

**Independent Auditor's Report on Internal Control over Financial Reporting and
on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Government Auditing Standards**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the CenturyLink Center Arena Fund, a special revenue fund of the City of Bossier City, Louisiana (the Arena), as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Arena's basic financial statements and have issued our report thereon dated June 12, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Arena's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Arena's internal control. Accordingly, we do not express an opinion on the effectiveness of the Arena's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

hmv@hmvcpa.com E-MAIL
www.hmvcpa.com WEB ADDRESS

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Arena's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed one instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as 2017-01.

The CenturyLink Center Arena Fund's response to the finding identified in our audit is described in the accompanying management's corrective action plan for current year findings. The Arena's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion of the effectiveness of the Arena's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Heard, McElroy & Vestal, LLC

Shreveport, Louisiana

CENTURYLINK CENTER ARENA FUND
A Special Revenue Fund of the City of Bossier City, Louisiana

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

FOR THE YEAR DECEMBER 31, 2017

A. Summary of Audit Results

1. The auditor's report expresses an unmodified opinion on the basic financial statements of the CenturyLink Center Arena Fund.
2. No material weakness relating to the audit of the basic financial statements are reported.
3. One (1) instance of noncompliance relating to the basic financial statements of the CenturyLink Center Arena Fund was disclosed during the audit.
4. The CenturyLink Center Arena Fund was determined to be a low-risk auditee.

B. Findings – Financial Statement Audit

2017-01: Budget Variance:

The Arena Fund had an unfavorable budget-to-actual variance of greater than 5% (>5%) in several line item accounts for the year ended December 31, 2017. The Budget Act requires the budget be amended when variances exceed 5% by line item or by fund for the fiscal year. We recommend the Arena Fund management monitor the budget throughout the year and make the necessary budget amendments.

A Special Revenue Fund of the City of Bossier City, Louisiana

MANAGEMENT'S CORRECTIVE ACTION PLAN FOR CURRENT YEAR FINDINGS

FOR THE YEAR DECEMBER 31, 2017

Finding 2017-01:

The Arena Fund's management will monitor the budget and its related variances during the fiscal year, and propose budget amendments when necessary, and make efforts to review and maintain compliance with the Budget Act.
